Saturday, June 20th, 2015

Mark the date on your calendar ladies! The Rondeau Rod & Gun Club is pleased to present its 3rd Women's Outdoor Workshop.

Have you ever been intrigued by the wilderness? Wondered how those darn compasses work? Maybe wondered what it would be like to shoot a handgun or shotgun? Been too intimidated or don't know who to ask? If this sounds familiar, then look no further.

We have another fun filled, adventurous day that awaits you! Today is all about you! Your day starts with complimentary muffins & coffee to enjoy as you listen to the mandatory firearm safety class, taught by qualified instructors. This is a great introduction that will assist you throughout the day.

From there you will move on to the events of your choice, also all taught by our qualified instructors.

W.O.W. - June 2014

At noon we will provide you with savory hamburgers, tasty hotdogs, refreshing salads & delicious desserts. You will have time to browse or shop at some of the local vendors booths or

talk to some of our qualified instructors.

After a pleasant lunch, you will continue on your journey of knowledge & adventure in the events of your choice.

During the course of the day there will be many draws for fantastic door prizes & chances to buy raffle tickets for exciting gifts.

After an exhilarating day of learning new skills, gaining confidence & making new friends we will wrap up the evening with a scrumptious pig roast feast, accompanied by music for your entertainment.

Sit back, relax & enjoy the evening with your new friends, spouses & family.

Sound interesting? Come out & join us for this memorable outdoors experience!

Learning how to shoot Handgun & Trap.

"Great day, great volunteers and instructors!"

J. Bannon

Shooting BB guns in the Tin Can Alley Event

ARCHERY

Move over Robin Hood! This course teaches an introduction to archery. Learn how to shoot at 3D targets from various distances & angles. (1 hr)

ATV'S

Learn safety & proper handling of an ATV. Then enjoy the pure adrenaline rush of driving it through a bush trail. (REQUIRED - Helmet, long pants, gloves, footwear that covers ankles & glasses. Long sleeves are optional.) (2 hrs)

COMPASS ORIENTEERING

Have you ever wondered how to work that darn compass? Afraid to walk in the woods, with fear of getting lost? Well here's your chance to learn. Taught by the Royal Canadian Air Cadets. (2 hrs)

DUCK / TURKEY CALLING

Quacks, clucks & gobbles! Learn how to bring the birds to you by using hand and mouth calls. (1 hr)

GUN CLEANING

For your firearm to work properly & give you years of use, it must be cleaned. Come learn the simple procedures of cleaning different types of firearms. (1 hr)

HANDGUN TARGET SHOOTING

Shoot a handgun with one on one instruction. Aiming at targets in an indoor range will certainly surprise you as you discover your new found skill. (1hr)

LEAVE NO TRACE

Have you picked up a rock as a souvenir or walked slightly off a path to avoid a mud puddle on a trail? As more people are becoming interested in outdoor adventures, it's becoming increasingly important to be aware of our impacts on the environment. With education, we can hope to leave the outdoors as unchanged as possible and yet continue to enjoy the beauty of our natural world! (1 hr)

RELOADING

Ever wonder what is in a shotgun shell? Learn the components, what you need, where to buy & safe storage. (1 hr)

.22 RIFLE

Fun & Challenging! Test your skill using a .22 rifle shooting at targets set at the 100m range. One on one instruction will be provided as you learn this new skill. (1 hr)

SELF-DEFENCE I

Do you know how to defend yourself? Our qualified instructor will show you how to protect yourself in hand to hand techniques. (1 hr)

SELF-DEFENCE II

Do you know how to use an object to defend yourself against a gun or knife. Our qualified instructor will show you how. (1 hr)

SKEET

Learn a recreational & competitive activity where participants, using shotguns, attempt to break clay disks automatically flung into the air from two fixed stations at high speed from a variety of angles. (1 hr)

TIN CAN ALLEY

Remember when you were a kid, plinking at tin cans in the backyard? Try our version using pellet guns. How many shots does it take YOU to clear the course? (1 hr)

TRAP SHOOTING

Learn the significance of calling "PULL". This course will help perfect your shooting skills. Using a .20 or .12 gauge shotgun, you will hit clay pigeons randomly thrown in the air. (1hr)

UNDERSTANDING THE OUTDOORS

Understand the truths about being out in the bush. Learn what plants to avoid, what is venomous and what is not. Let's learn together and dispel the myths. This session will teach you the truths about the wildlife in your backyard. (1 hr.)

5- STAND (P.A.L. Holders Only)

Learn how to shoot at various combinations of clay birds. Each station will have a menu card that lets the shooter know the sequence of clay birds she will be shooting at. Typical five stand targets are rabbit, chandelle, overhead, standard skeet high house & low house shots, teal (launched straight up into the air) & an incoming bird.
